

Application for examination deferral

Candidates who withdraw or fail to attend examinations will forfeit all examination fees unless they provide an original medical certificate. This must be done by the centre within ten working days of the last examination in the series. Any refund of fees paid will be credited to the next examination only. Centres will be informed of the decision within 10 working days of receipt of application and supporting documentation. Please complete this form and return it to the IAM offices along with the original medical certificate.
